

PRESS RELEASE

Toronto, ON and Montreal, QC – March 21, 2016

G. H. Bishop Global Inc. and Laubress Inc. are happy to formally announce their strategic partnership. Through this partnership both companies will be able to expand geographically and better serve existing and prospective clients. This partnership will extend to both consulting services and software development.

“We have been working with Laubress for over 15 years and have come to rely on their great products. We believe that this is the right time to form a partnership that will benefit both companies and more so, all of our clients. We are looking forward to developing new and exciting engineered labor standards applications.”

– *George Bishop, Principal, G. H. Bishop Global Inc.*

“After years of working with the experienced and professional consultants at G. H. Bishop Global Inc. we at Laubress are excited to offer their high level services to our clients. We look forward to combining our consulting practices and collaborating to offer innovative software and custom development services to an expanded clientele.”

– *Charles Brassard, founder and CEO of Laubress Inc.*
